

*Shown-Custom Stained Maple*

When merchandise demands a stylish presentation, nothing sets the right mood like Buell's custom-stained hardwood floors. Treating fine wood like Maple, Oak and Brazilian Cherry with colors creates a winning contemporary ambiance. Buell offers an artist's palette of possibilities. Our team of color and wood experts meets specific color requirements and delivers the utmost in customer satisfaction. Whether offering cosmetics, sportswear or gourmet jellybeans, architects and designers know combining just the right color to these fine hardwoods goes a long way in anchoring their store's unique displays. Custom color. Another specialty at Buell Flooring Group.

Why not include Buell in your next store design or make-over? Our ability to deliver made-to-order top-quality fine wood floors has distinguished us in the industry. With a legacy in crafting top-quality hardwood floors, Buell continues to be the choice for fine retailers desiring nothing but the best wood floors in their stores.
