### Las Vegas: No Better Way to Escape the Mundane

A surefire way to break out of your winter doldrums is to pack up and head to the nation's nonstop capital of fun. Las Vegas pulsates with world-class attractions, restaurants, accommodations, shows and casinos. Act now and you will enjoy all the sights and sounds of this Mecca in the desert without the in-season masses. Never subtle, Las Vegas boasts an extravagance at your beck and call any hour of the day. Cruise the casinos. Shop at famed stores such as Marshall Rousso or Bernini; revive yourself at popular restaurants like Wolfgang Puck Café or Emeril's; and then engage the nightlife of clubs and big-named stars' shows with unending possibilities.
